

Mentoring feels so **good** you'll almost feel guilty.

Bill Santos Photography

A little time makes a big difference. The sad truth is, a lot of kids have no one they can turn to for advice or leadership. But in just a few hours a month, your positive influence can help keep a child off drugs, out of gangs and in school. And if you think the kids love having mentors, just wait until you see what it's like to be one.
